McLean Mentors:
Tutoring youth and building college-going aspirations

**McLean Mentors is a TUTORING AND MENTORING OPPORTUNITY** to be a role model and build college-going aspirations for Mississippi youth.

McLean Mentors make a **6 WEEK COMMITMENT** to tutor and mentor elementary school students in partnership with afterschool programs in Batesville and Calhoun City.

**WHEN:** In the Fall 2015 semester, the program will take place during the **weeks of September 7, 14, 21, 28, and October 5 and 12.**

**WHERE:** McLean Mentors will spend their 6 week commitment with one of these community partners:
- **The Boys and Girls Club of Batesville** is a 35 minute drive from campus. The Boys and Girls Club holds homework help sessions on *Monday through Friday from 3:00pm-4:00pm (K-4th grades) and 3:30pm-4:30pm (5th-10th grades).* The Boys and Girls Club requires a background check for all volunteers.
- **Excel is located in Calhoun City,** a 50 minute drive from campus. Excel holds homework help sessions from *Monday through Thursday from 3:00pm-4:30pm and from 4:45pm-6:15pm.* McLean Mentors are asked to stay for both sessions.

**WHAT MCLEAN MENTORS SAY:** “I learned that service is transformative for everyone involved, especially the volunteers. University of Mississippi students are in a great position to address the great need outside of Oxford. We must share our resources, including knowledge, with surrounding communities.”

**TO SIGN UP:** Register at mclean.olemiss.edu/mentor by Monday, August 31. You must also attend **ONE orientation session**, which will be offered at the following times:
- **Tuesday, September 1:** 12:30pm-1:30pm, Howry Hall, 2nd floor conference room
- **Wednesday, September 2:** 8:30am-9:30am, Howry Hall, 2nd floor conference room
- **Friday, September 4:** 3pm-4pm, Howry Hall, 2nd floor conference room
